

UNVEILING SCRIPTURAL TRUTHS

Do you have **difficult questions about the Bible?** Areas you'd like to more **fully understand**, and be able to **back up with Scripture?**

In the Berean-style of study, this group welcomes diversity of thought and promotes open-minded and enthusiastic inquiry into biblical text, in the context of ancient civilizations and cultural faith frameworks.

All participants will be encouraged to approach discussions with an open mind and humility. Together we will explore fresh perspectives to enhance our relationship with Christ and deepen our understanding of the Scriptures.

These discussions will enhance our collective understanding, and undergird our faith in Christ. Using study tools and the Bible, the shared goal is to grow together in our spiritual journey with Christ and a **deeper understanding of the living Word of God.**
