# KNOWING GOD'S CHARACTER

Have you ever wondered if God is double-minded? Why does God seem to have one personality or character in the Old Covenant and an entirely different personality or character in the New? Have you ever wondered how He could be so seemingly harsh under the Old Covenant and so gracious, merciful, and forgiving under the New? Which one is REALLY His character?

We will explore this and more in a new community group. While initially planned for 13 weeks, we will move at the pace of the Holy Spirit. Although we will use a couple of sources, the leading book will be "God is Good: He's Better Than You Think" by Bill Johnson. Maureen Gower will host the group at her home.

We hope to see you there! We must know our Father's character to fully walk our inheritance.
